**Contenitore in metallo "Ludos" verniciato bianco L35xP20xH35.**

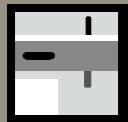

"Ludos" white coated metal unit, W35xD20xH35.

**Le caratteristiche che rendono la struttura Candid unica e super versatile sono la componibilità, e infatti è fornita in kit composto da cinque elementi e la parte superiore dove è ricavata l'asola porta salvietta può essere montata a dx o a sx capovolgendola.**

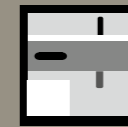

The features making the Candid structure unique and extremely versatile are its modularity, and indeed it is supplied in a kit made up of five elements, and the top structure with a slot for use as a towel rail that can be assembled either on the right or the left simply by turning the front panel upside down.

Sovrapponendo i contenitori "Ludos" è possibile combinare l'alta capacità contenitiva al design semplice e funzionale.

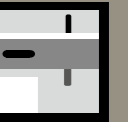

By placing "Ludos" containers one on top of the other, ample storage space can be combined with simple and practical design.

**L'abbinamento tra mensole e contenitori "Ludos" consente di arredare in modo originale.**

The combination of shelves and "Ludos" containers allows to furnish in an original way.
