# ALIZÉ <sup>B2500</sup>

Design: Angeletti Ruzza Design

Un approccio alla materia proprio come l'avrebbe avuto l'aliseo, plasmando e avvolgendo ogni contrasto e accarezzando ogni dettaglio degli accessori; ne risultano delle figure dai profili morbidi e dai toni briosi, che ben si adattano a completare le nuove sale da bagno ed a rinnovare quelle passate.

*Approaching like the sail winds shaping and stroking all minute contrasts in accessories, the result is figures alive with soft melodies and profiles that are well suited to complement the new bathrooms and to renew the old ones*

“La prima regola, e forse l'unica, del buono stile  
è che si abbia qualcosa da dire: con questa regola si va lontano.”

“The first rule, then, for a good style is that the author  
should have something to say; nay, this is in itself almost all that is necessary.”

Arthur Schopenhauer

La collezione Forever è stata appositamente progettata per un fissaggio a muro e vetro ottenuto con uno speciale nastro biadesivo in schiuma acrilica ad alte prestazioni (3M™ VHB™). Le caratteristiche tecniche di questa serie, unite ad un sistema di montaggio semplice e rapido, consentono un utilizzo dell'accessorio in condizioni difficili senza mai pregiudicare la tenuta e l'estetica. Le strisce biadesive sono già premontate sul pezzo e, per la preparazione della superficie del muro, all'interno della confezione sono presenti un kit di pulizia ed uno stick con il primer/attivatore. **Attenzione:** si sconsiglia l'applicazione dei pezzi su superfici particolarmente ruvide o poco compatte, così come su intonaci o muri grezzi.

The Forever collection has been specially designed for a wall and glass fixing with a special high performance double sided acrylic foam tape (3M™ VHB™). The technical characteristics of this collection, combined with a quick and easy mounting system, allow an use of the appliance even in difficult conditions without ever affecting the aesthetics or the durability of use. Adhesive strips are already preassembled on the piece and, for the preparation of the wall surface, inside the box there is a cleaning kit and a stick with the Activator/primer. **Attention:** we do not recommend the application of the pieces on surfaces particularly rough, as well as on painted walls.

# B1800 KHALA

Design: Makio Hasuike

Makio Hasuike ha voluto interpretare l'ottone, materiale predominante negli accessori della serie, alleggerendone gli spessori ed il volume, per giungere all'essenzialità del segno. Design di sintesi, quindi sinonimo di contenuti semplici ma capaci di evocare emozioni.

Ogni accessorio della serie Khala è un pezzo fuso unico e gli sbalzi asimmetrici nei supporti degli accessori creano leggerezza e fluidità.

Una collezione di oggetti di arredamento di grande personalità e forte valenza semantica.

*By reducing the proportions and mass of the accessories, Makio Hasuike has redefined the use of brass, the core material of this "essential" collection. Simple and abstract designs, but with a strength of character that evokes an emotional response. Each accessory of the Khala range is cast as one piece, in an asymmetrical style which gives delicate and flowing lines.*

*A collection of bathroom furnishings with a strong and distinctive personality.*

“Due giovani Industrial Designer hanno scelto di creare una collezione dove ogni elemento torna a rispondere all'esigenza funzionale per il quale viene scelto. Oggetti per il vivere contemporaneo dove l'estetica è sempre stile non urlato, e l'esperienza dell'Azienda si fonde con la forma per vivere il prodotto negli anni futuri.”

*“Two young Industrial Designers have created a collection, where each element is the answer to the functional need for which it has been chosen. Objects for the contemporary living where aesthetic is an uncried style and where the company's experience merge with form into a timeless product.”*
